MIDDLESEX COUNTY COLLEGE

TO: Mat-010 Faculty

FROM: Susan Shulman

SUBJECT: Important Mat-010 information

DATE: August 2009

I hope you had a restful and enjoyable summer vacation.

If you are teaching Mat-010 this semester and have either never taught Mat-010 or taught it a while ago, the following information will help you get started and make your way through the semester. This information will also be available on the MCC Mathematics Department website (<http://www.middlesexcc.edu/academi/mat/>) under Mat-010 Instructor Information.

Information on the following topics will be included:

- **Important facts (including changes in technology requirements)**
- **Mat-010, 010A and 010B outlines**
- **Challenge Test**
- **Mat-010A option**
- **Mat-010 and Mat-010A Final Exam item-analyses report**
- **Worksheets #1-#10 on topics that give students the most difficulty**

Please feel free to contact me with any questions you have. My MCC extension is #3734 and my email addresses are SShulman@middlesexcc.edu and sms hulman@yahoo.com.
