

## Which Credit-Bearing Math With Which major?

### BUS 115 (BUS 115 has a prerequisite of MAT 013)

- Accounting
- Paralegal Studies

### MAT 107 (MAT 107 has a prerequisite of MAT 013)

- Automotive Technology
- Fire Science Technology
- Health Science
- Medical Laboratory Technology
- Process Technology
- Respiratory Care

### MAT 101 (MAT 101 has a prerequisite of MAT 013)

- Criminal Justice (one of several possibilities if Math option is chosen)
- Culinary Arts
- Dietetic Technology
- Education Practitioner (one of several possibilities)
- Fashion Merchandising
- Fine Arts (one of several possibilities)
- Hotel-Motel Management
- Restaurant/Foodservice Management
- Liberal Arts (one of several possibilities)
- Management
- Marketing
- Media Arts—Advertising
- Media Arts—Photography
- Media Arts—Web Design
- Radiography (one of several possibilities)
- Small Business Management

### MAT 116 (MAT 116 has a prerequisite of MAT 014)

- Computer Science—Information Systems (second math course would be MAT 123)
- Computer Science—Network Administration and Support (second math course would be MAT 123)
- Psychosocial Rehabilitation and Treatment

MAT 123 (MAT 123 has a prerequisite of MAT 014)

- MAT 123 can replace BUS 115, MAT 107, and MAT 101 in all majors if SAT or Accuplacer scores permit.
- Business Administration—Transfer
- Criminal Justice (if Math option is chosen)
- Education Practitioner (one of several possibilities)
- Fine Arts (one of several possibilities)
- Liberal Arts (one of several possibilities)

MAT 129 or 129A (MAT 129 has a prerequisite of “B” or higher in MAT 014; a “B-“ or “C+” or “C” in MAT 014 places a student in 129A)

- MAT 129 can replace BUS 115, MAT 107, and MAT 101 in all majors if SAT or Accuplacer scores permit.
- Biology Transfer
- Biology Pre-Professional
- Business Administration Transfer
- Chemistry Transfer
- Chemistry Pre-Professional
- Civil Engineering Technology
- Computer Science—Information Systems
- Computer Science—Network Administration and Support
- Criminal Justice (if Math option is chosen)
- Education Practitioner (one of several possibilities)
- Electrical Engineering Technology
- Fine Arts (one of several possibilities)
- Liberal Arts (one of several possibilities)
- Liberal Arts—Business (preferred by Rutgers-NB)
- Mechanical Engineering Technology
- Physics Transfer

MAT 131 or MAT 131A (MAT 131 and 131A have prerequisites of MAT 129)

- Computer Science Transfer
- Engineering Science
- Mathematics Transfer
