REPORT OF THE CHAIR
1. The Ad Hoc Committee on Academic Integrity has submitted its final report and all supporting documents to the College Assembly office and these documents have been forwarded to the Task Force on Academic Standards. The Task Force has been asked to review the report and present their recommendations to the Assembly during this academic year. The Committee was thanked for their sustained and consistent work over the past two years.

2. Meetings with the Task Force Chairs have been taking place. Guidelines, charges and other procedural issues have been discussed.

3. Following this meeting, a column will appear on the InfoNet and Campus Cruiser entitled, "College Assembly News." This column will briefly recount the work of the Assembly and its Task Forces and will appear two to three times a semester in an effort to keep the College community informed about Assembly business.

4. A meeting for student members of the College Assembly was held on Monday, October 31. Fifteen (15) students attended the meeting. President La Perla-Morales has graciously offered to open her home for our next student meeting which will take place on Monday, November 28, at 11:00 a.m. Both President La Perla-Morales and Vice President Hays will attend. All student members of the Assembly and its Task Forces will be invited to attend.

5. Student members of the Assembly and Task Forces have been asked to regularly check their Campus Cruiser e-mail, since the College Assembly is transitioning to the use of Campus Cruiser e-mail addresses only.

6. All Course and Curriculum Approval Forms and Guidelines are now available on the InfoNet in Word format. Professor Picardo thanked Professor Fleming, Mr. Kruszewski and Mr. Hoff for helping the College Assembly office take this step. Anyone who has questions regarding the forms should contact Professor Fleming, Chair of the Curriculum Task Force, or Professor Picardo.

7. Memos were sent to all the Academic Deans, Department Chairs and Division Council Chairs regarding the curriculum forms/guidelines to be used when submitting proposals to the Assembly. These new forms are dated September 2005. All earlier versions used for approval should be discarded. The Curriculum Task Force has agreed to accept curriculum on March 2004 forms until the end of the semester. As of December 16th, only curriculum completed on the form dated September 2005 will be accepted.

8. Because of the Thanksgiving Holiday, November is a short month relative to preparing College Assembly business for December. Consequently, all recommendations and/or reports must be submitted to the Assembly office on or before Thursday, November 17, 2005.
