TO: Members of the College Assembly
FROM: Margarete Driver, Ph.D.
Chair, College Assembly
DATE: October 7, 2004

**RECOMMENDATION**

**Academic Standards Task Force:**
Professor Naomi Schatz, Chair – 2002-2003
Dr. Marian Sackrowitz, Chair – 2003-2004

- That the explanation of an I grade in the MCC catalog be changed. 11/15/02
  The new explanation will read: Incomplete work to be made up by special arrangement with the instructor and chair of the department. An I grade will be changed to an F if work is not completed by the agreed upon date, which can be no later than the end of the following semester.

- That the following charge: ("Review suspension/restriction decision of students with low GPAs whose ‘current’ semester average is respectable; report to the Assembly and make possible recommendations.") be disposed of without change in the policy on Academic Standards of Progress 2/14/03

- That WP and WF grades be abolished. The deadline for dropping a course with a grade of W shall be changed to 10 business days after midterm grades are available to students. 4/16/03

- That the MCC catalog section "Withdrawal From a Course" be changed. (See recommendation 4/16/03) 5/9/03

- That the catalog section entitled Academic Integrity be replaced with a new version. In addition, the College Assembly will create an ad-hoc committee to examine the issues surrounding academic integrity. The intention of the Task Force is that this committee will examine the current policy on violations 5/9/03
of academic integrity and recommend whether a new policy on sanctions is appropriate. The ad-hoc committee will also recommend venues to be used to educate the College community on the issue of academic integrity and emphasize its importance.

- That a student whose foreign degree has been equated to a U.S. Bachelor’s degree by a certified evaluation service be exempt from taking the Accuplacer test. Furthermore, it is recommended that students in this category be allowed to submit a TOEFL score that can be used in lieu of ESL placement testing. The cut off scores and additional testing will be determined by the ESL Department.

- That the College’s published material for International and ESL students be supplemented. The committee recommends that an International and ESL information packet be drafted cooperatively by all appropriate departments. This information should also be posted on the College’s web site.

- That the current policy of requiring students to submit transcripts be retained.

- That the Academic Dismissal policy be changed to read: Academic Dismissal will occur when a student, who has been readmitted following Academic Suspension or previous Academic Dismissal, fails to maintain an overall GPA of 2.0 in the coursework taken subsequent to readmission.

- That the College institute the grades of A- and B-. The Task Force does not recommend the institution of the C- grade. The Task Force recommends that the A- and B- grades carry weights of 3.7 and 2.7, respectively. The weight given to all the existing grades to remain unchanged.

- That the period of academic dismissal be shortened to two years.

**Accessibility for Persons with Disabilities Task Force:**

Dr. Christine Harrington, Chair – 2002-2003
Ms. Lynn Somers, Chair – 2003-2004

- That on a routine basis in standardized language the following text to be included in all registration materials (Focus, Master Schedule) as well as other publications such as the college website, campus cruiser, FYI, and Quo Vadis: Students who have mobility impairments are encouraged to contact Disability Services at 732.906.2546 for assistance with registering for courses located in fully accessible classrooms.

- That an Adjunct-at-Large position be added to the Task Force on Campus Diversity.  
  2/14/03

- That an Adjunct-at-Large position be added to the Task Force on Student Life and Community Concerns.  
  4/18/03

- That an Adjunct-at-Large position be added to the Task Force on Accessibility for Persons with Disabilities.  
  4/18/03

- That a representative from the Department of Information Technology be added to the Task Force on Accessibility for Persons with Disabilities.  
  4/18/03

- That the following Charge: ("Revisit student representation issue in the Division of Student Development and make recommendation(s).") be disposed of without further action.  
  4/18/03

- That the following Charge: ("Coordinate with the Task Force on Curriculum to increase academic faculty by one per academic division, making it a total of nine (9).") be disposed of without changes at this time to current membership.  
  4/18/03

- That the following Charge: ("Deliberate the pro’s and con’s of allowing the Task Forces the options of electing a single chairperson or co-chairpersons to lead their Task Force.”) be disposed of with no action be taken on this charge.  
  5/21/04

- That the following Charge: ("Coordinate with the Academic Standards Task Force the addition of one (1) full-time teaching, at-large (academic) faculty; make the appropriate recommendation.”) be disposed of without changes at this time to current membership.  
  5/21/04

- That an Adjunct-at-Large position be added to the Task Force on Academic Standards.  
  5/21/04

- That one (1) director or designee from either of the off-campus centers (New Brunswick or Perth Amboy) be added to the Task Force on Campus Diversity “by virtue of the position.”  
  5/21/04
- That the Director of the Office of Academic Advising or his/her designee be added to the Curriculum Task Force “by virtue of the position.”

- That the following changes be made on the Curriculum Task Force 1) the addition of one faculty member from each of the academic divisions; 2) the removal of the position of faculty-at-large; 3) the removal of the position of Dean, Director or designee from Enrollment Management or Student Development; and 4) the addition of Director/Representative from the Office of Counseling and Career Services. This will increase the membership of the Task Force to 17.

- That an Adjunct-at-Large position be added to the Task Force on Educational Resources.

- That the following charge: (“Deliberate the creation of two task forces, one for Student Life and one for Community Concerns with a view to making the appropriate recommendation. For each new task force, this may involve but not be limited to determining the appropriate number and provenance of membership and reassigning and/or adding of responsibility (Purposes). Therefore:

1. That the Task Force for Student Life and Community Concerns be dissolved as pursuant to the College Assembly Bylaw Section 1.0702

2. That a Task Force for Student Life be established, pursuant to College Assembly Bylaw Section 0.0702

   f. Campus Safety and Health

Campus Diversity Task Force:
Professor Frank Burke, Chair – 2002-2003
Professor Leah Ghiradella, Chair – 2003-2004

   - That services vital to academic success be available to all Middlesex County College students regardless of where or when they attend classes. Specifically, vital services should be identified for students taking courses at the urban centers and on the weekend or at night at the main campus and that a plan be put into place to fill unmet student needs.

   2/14/03
- That the College encourage the use of peer and faculty mentoring as effective methods of improving student performance and increasing student retention.

3/24/03

- That Middlesex County College students be surveyed about their experience here and the results reported annually. It is further recommended that issues identified as negatively impacting the success of large numbers of students be investigated further and actions planned and implemented to resolve these issues.

4/18/03

- That based on discussions with various members of the campus community, the Task Force pondered “…the feasibility/social ethics of removing the category of ‘Race’ from all student documents and questionnaires asking for such a designation, leaving only two designations: American or Non-American, “ and makes no recommendation.

5/21/04

- That the following Charge: (“Determine if the College adequately addresses diversity concerns/issues [aside from single-focus student clubs with separate budgets and separate interests].”) be answered as follows:
  - Consider devoting a day to diversity awareness for all faculty and staff.
  - Consider enhancing funding for the OMSA in order to broaden the student population served.
  - Consider instituting an annual diversity awareness day for the entire campus community.

5/21/04

- That the following Charge: (“Determine the adequacy and efficacy of current orientation activities for international students on I-20 visas and/or second language learners.”) be answered as follows:
  1. Holding a combined orientation for international students and second language learners.
  2. Including a separate session for international students to cover INS requirements.
  3. Conducting a full day orientation that includes some social activities.
  4. Including native-born, English speaking MCC students in the orientation process.
  5. Providing information on the American education system as it is implemented at MCC.
**Curriculum Task Force:**
Professor John Gutowski, Chair – 2002-2003
Professor Jane Liefert, Chair – 2003-2004

- That the new Course Approval Form be adopted.  
  2/14/03

- That the new Course Approval Form to coincide with the format of NJ Transfer and RU ARTSYS be adopted.  
  4/13/04

- That a “Fast Track” Course Approval Form be adopted.  
  Pending

To allow departments to request a “fast track” course approval for minor changes in courses/curriculums. The change(s) would only require the review and approval of the Department faculty, the Department chairperson, the Divisional Council chairperson, the chairperson of the Curriculum Task Force, the Divisional Dean, and the Vice President for Academic and Student Affairs. When approved by the aforementioned group, the course/curriculum change would forgo all other approval processes including approval by members of the Divisional Council, approval by members of the Curriculum Committee, and approval by College Assembly.

- That the following courses, degree and program additions and revisions be implemented by the institution:

**Educational Resources Task Force:**
Professor Jane Liefert, Chair – 2002-2003
Mr. Lewis Ostar, Chair – 2003-2004

- That each department make arrangements for one faculty member to work closely with the librarian assigned to his/her division. This person forwards requests made by faculty members within the department to the Library Liaison and responds to requests for help from librarians when materials should be weeded. At the beginning of each academic year, the department chairs should forward the name of their library representative to the Director of Learning Resources. 4/18/03

- That a policy be implemented to promote and protect employee and student health through ergonomically-sound practices. Specifically, the recommendations are that the College:
  ° Develop and implement focused programs designed to prevent and eliminate the most significant causes of ergonomic disorders.
  ° Integrate recognition, evaluation and control of ergonomic disorders into established departmental health and safety programs. 2/17/04
RECOMMENDATION

- Ensure that planning for the necessary resources to execute this policy and associated program is included in departmental strategic and fiscal (budgetary) plans.
- Provide departments with an effective ergonomics program model that enhances their mission by reducing ergonomic disorders and addresses hazards that represent an unacceptable risk to departmental employees and students.

- That a Standing Technology Advisory Committee be established to review academic priorities and develop strategies for the integration of learning technologies in the support of the curriculum and to coordinate planning of developments between academic departments and Instructional Design, Media Services, IT and Facilities Management. 2/17/04

- That the college create environmentally diverse types of student spaces in and around all buildings utilized by students. Pending

- That the college create a Privacy Policy governing the examination, collection and dissemination of all personal and private information, relating to students and employees, from any and all electronic and/or paper sources. This policy, along with the FERPA policy, is to be given to all current employees and new employees when they are hired. 2/17/04

- That while American higher education has historically supported freedom of expression and all other forms of personal freedom, it be the policy of Middlesex County College to comply fully with the Patriot Act in the suppression of terrorism. Pending

Student Life and Community Concerns Task Force:
Ms. Alice Picardo, Chair – 2002-2003
Mr. Thomas Peterson, Chair – 2003-2004

- That information on ergonomic issues (relative to Repetitive Stress and related injuries) be provided to the college community through multiple communication channels. 2/17/04

- That the following Report: (“Make feasibility study on allowing evening students taking classes in Edison Hall to park behind Edison Hall in the staff parking lot.”) finds that it is College policy to allow student parking in staff spaces behind Edison Hall after 5 p.m. Signs are posted.

- That the following Report: (“Study the advisability/necessity of having members(s) of the Police department attend new student and family
orientation to address issues of safety and related concerns.”) finds that this is planned for the next orientation cycle.

- That the following Charge: (“Review information capabilities of current student IDs; research additional, multiple option, such as a smart card, for all students; make appropriate recommendation.”) results in no recommendation, but reports that a College committee is working on this item.

- That the following Report: (“Study solutions to such civility problems as cell phone use and messaging activity during class time by students and faculty.”) finds that action by the College Assembly is not necessary. The Task Force feels that a faculty member has the right to determine policy for his or her own class. If the policy is that cell phones should be turned to “vibrate” so that class is not disrupted, then students would follow that. Another professor may have a more liberal policy, and that is his or her right to do so. It is the feeling of the committee that faculty members have the right to develop policies as they see fit, as long as they are reasonable and universally applied within that classroom. While cell phones can be annoying, students may have legitimate need to be in contact, for example, rescue squad members, or parents of very young children.

- That all students be required to obtain a College ID. 2/13/04

- That students be included, where appropriate, in initiatives which are aimed at designing or redesigning facilities. 2/13/04

- That adjunct faculty be required to obtain a College ID. 4/13/04

- That both Division Hour and College Hour be called “College Hour,” and that every effort be made not to schedule classes during those times. 4/13/04

- That the following Charge: (“Determine if a room for students to pray or engage in quiet contemplation is needed.”) be referred first to the College attorney to determine if separation of church and state plays a role in this. If not, the Task Force recommends that a room be assigned for this purpose. 8/10/04

- That smoking be prohibited within 25 feet of the entrance to a campus building. Pending

- That a card be issued to individuals with disabilities that would outline the steps they can take if an elevator is malfunctioning (i.e., where to call for assistance, where the nearest phone is, etc.); the same information is to be posted near the elevator. 5/21/04
