

## **STEM Enrichment Virtual Academy Courses**

**Co-sponsored by MCC and the Middlesex County Academy  
for Science, Mathematics & Engineering Technologies**

Join us for these unique virtual courses. Selections include: *Jeopardy!*, *Digital Circuit Technologies*, and *Shark Tank*. **Each one-week instructor led class meets Monday through Friday in a secure Zoom online format during the designated times.** Sections are offered 7/20-7/24 or 7/27-7/31. Choose your courses according to the grade you will enter in September 2020. Upon your paid registration, you will receive information on how to access your courses.

### **Jeopardy!**

Show off your knowledge in a fun, team-based format. Learn the rules of Quiz Bowl and develop strategies to succeed in school competitions. Compete in games that incorporate knowledge of history, science, arts, literature and more!

For youth entering Grades 6-8. \$149 per person per course.
