

Camp Middlesex Virtual Summer Fun

Have fun this Summer! Choose from a new schedule of virtual courses each week, from 7/13 through 8/21/2020. These instructor led classes will meet Monday through Friday in a secure Zoom online format during the designated times. Select your courses according to the grade you will be entering in September 2020. Upon your paid registration, you will receive information on how to access your course.

Drawing

Explore basic drawing techniques and line, shape, perspective, proportion, volume and composition. Use different art media and create a variety of projects. Upon registration, receive a list of supplies to purchase before the first class. For youth entering Grades 3-8. \$70 per course per person.
