

Dear Parents and Campers,

Welcome to **CAMP MIDDLESEX!** We have enclosed a campus map, a parent-camper handbook for you to read over with your child, and a parking lot card for your windshield.

Please go to the assigned parking lot for pick up and drop off. Please put your child's name and the camp class on the card. Please put it in your car dashboard, passenger side, for staff to see at pick up and drop off.

Lot 3 is for Sports and Theater Camps. All other children go to parking lot 11 by Edison Hall. If you have more than one camper in your car and they are at two different lots, please go to Lot 11 to make it easier for you. We will have one of our staff bring your child to the proper camp.

Please send a lunch and snack daily, with an ice pack and water bottle. There is no refrigeration and no cafeteria option. Please label everything. Children may bring a backpack with their lunch box and sunscreen. Apply sunscreen at home before camp and your child can apply again at lunch break. Have them wear comfortable sneakers.

Please pick up and drop off on time. Drop off begins at 8:30 a.m. and will stay open until 8:50 a.m. You may pick up starting at 4:40 p.m. until 5 p.m. Pick up by 5 p.m. and please don't be late. Please note there is no before care and no aftercare.

The medical and health waiver form must be emailed to camp office before the camper begins attending. Any questions, please call the camp office, 732.906.2556, between 8:30 a.m.-4:30 p.m., Monday-Friday. Thank you! We're looking forward to a safe and amazing summer.

All the best,

Deb Stoler and the camp staff
