Meeting of the College Assembly – February 6, 2014
With a quorum present, Jeremy Nickerson called the February regular meeting of the College Assembly to order on Thursday, February 6 at 2:10 p.m. in the Rose M. Channing Danzis Amphitheater, L'Hommedieu Hall.

Professor Nickerson introduced Dr. La Perla-Morales, President of Middlesex County College who provided welcoming remarks to the new and returning College Assembly members. The President emphasized the significance of the College Assembly as an opportunity for all to affect the College government and the policies. In her remarks, she stressed the importance of the work that is done here which makes us a shared government institution, which we all value in this institution. It is authorized by the Board of Trustees to be the shared governance body of the institution and any policies of the institution come out of the College Assembly through the President’s office to the Board of Trustees for approval. She encouraged the students to speak boldly this semester, to influence the decisions and policies made and to preserve the quality of the College’s institution. She hoped that the Assembly would appreciate the past accomplishments and strive to make new ones as the College comes into its 50th year.

Professor Nickerson introduced Dr. Goldfarb, who, in his remarks acknowledged students, faculty and administrators for their participation. He concluded by wishing the Assembly well for the academic year.

Professor Nickerson thanked Dr. La Perla-Morales and Dr. Goldfarb for their remarks. He emphasized the importance of student participation, and then welcomed and thanked everyone for their participation. He stated that the College Assembly members and Task Forces are responsible for making recommendations that affect academic, student, and other College affairs to the President of the College. These recommendations can be multi-faceted and carry important changes for the College. Our ultimate goal is to support student success and uphold the College’s academic standards. He encouraged everyone to actively participate and to do so with professional consideration for others. College Assembly is most effective when recommendations are carefully considered, researched and discussed.

Professor Nickerson thanked the Office of the Vice President for Academic and Student Affairs for the refreshments that were provided for the meeting. He acknowledged and thanked the Parliamentarian and Assembly webmaster. He also introduced Lisa Sgro, Departmental Assistant to the College Assembly and provided information regarding the College Assembly office location, phone number and email address.

Professor Nickerson stated that since the last meeting of the College Assembly on May 3, 2012, the College had undergone an administrative reorganization. As a result, it is necessary to temporarily suspend the Bylaws in order for the College Assembly and its Task Forces can continue to conduct business while the Task Force on Bylaws finalizes its charge. Therefore, according to Article XI Section 1.1102 regarding Meeting of the College Assembly – February 6, 2014
suspension of the Bylaws Professor Nickerson asked for unanimous consent that Article IV Section 1.0400 regarding College Assembly Membership and Article VII Section 1.0700 regarding Task Force Methods of Membership be suspended until the completion of the Bylaws Task Force charge at which time regular order can be reinstated. The Assembly voted unanimously to temporarily suspend the Bylaws.
