### **RECOGNITION AND HEARING FROM THE PUBLIC**

Dr. Abbott addressed the body regarding the formation of an ad hoc committee to study the current MCC shared governance system and potentially recommend changes to that system. Dr. Abbott stressed that the formation of this committee does not signal the dissolution of the College Assembly, but rather is a self-reflective assessment process to identify what, if any, changes would be beneficial. College Assembly members interested in participating on the committee were encouraged to reach out to Dr. Abbott or Joan O'Brien, College Assembly Department Assistant.
