2019-2020 SPECIAL CIRCUMSTANCES FORM

The Financial Aid Office recognizes that students and their families may have extenuating financial circumstances that the 2017 base year income as reflected on the Free Application for Federal Student Aid (FAFSA) does not consider. Federal Financial Aid regulations state that the Institution's decision to perform a Professional Judgment on a parent, student's and/or spouse's income must be made on a case-by-case basis, justified by an individual student's unusual circumstances, and must be documented in the student's file. Upon reviewing the family situation and supporting documentation, the financial aid administrator will decide whether any adjustments can be made to the financial aid application to best reflect the present situation. However, please remember that submission of this appeal form **does not guarantee** a favorable change in your financial aid eligibility or award(s).

Steps to Completing the Special Circumstance Process:

1. Check the appropriate box on the following pages that apply to the special circumstance.
2. Complete this form and attach **ALL** applicable documentation and submit to West Hall, Enrollment Services
3. If clarification or additional documentation is needed, a Financial Aid Administrator will contact the student.
