Algebra Summer Institute - July 3-27, 2017

For students who have completed 6, 7, or 8th grade.
The Institute is recommended for students interested in preparing for an Algebra I course. It is not a substitute for an Algebra I course. Students will explore algebraic concepts through hands-on activities and the integration of technology. The Institute is suggested for student enrichment and/or strengthening concepts.

Discover Algebra by exploring:

- Data driven problems in real-world context
- Numerical, graphical, symbolic, and expositional perspectives
- Ideas of “proportionality” and “function” and especially the “rate at which a function changes.”
- Linear Regression
- Technology to assist understanding

Monday through Thursday, 9:00am - 12:00pm

$400.00

Complete the registration form and mail or fax to:
Office of School Relations
Middlesex County College
2600 Woodbridge Ave, Edison NJ 08818
