COURSES REMAINING FOR A BACHELOR OF SCIENCE IN BUSINESS ADMINISTRATION DEGREE WITH A CO-MAJOR IN SPORT MANAGEMENT AT RIDER UNIVERSITY*

Course Number	Rider University Course Name or Core Area	Credits	Notes* (if course can be taken at Middlesex, indicate course number)
<p>Please note this program to program articulation from the A.S. Business Administration to the B.S. Business Administration with a Co-Major in Sport Management includes many free electives that will most likely push the MCC transfer student over the 120 credits required for the Rider degree. Sport Management requires a primary major which leaves very little room for free electives. On official transcript review, once the free elective category is at maximum capacity - any additional credits falling into this particular category will not count toward the major.</p>
