

KEAN

Addendum Number One
Between
Kean University and Middlesex College

This Addendum Number One (“Addendum”) amends and is hereby incorporated into the existing Joint Admission Agreement by and between Kean University, 1000 Morris Avenue, Union, New Jersey 07083 (“Kean University”), and Middlesex County College, 2600 Woodbridge Avenue, Edison, NJ 08837 (“College”) entered into on September 28, 2017 (the “Agreement”). This Addendum shall commence on February 8, 2021.

WHEREAS, Kean University and Middlesex County College, now Middlesex College (all references to “College” herein shall also refer to Middlesex College) entered into the Agreement to establish a Pathway to Kean Program, which provides a seamless transition to Kean University for College students who successfully complete an associate degree at College (the “Students”); and

WHEREAS, the Kean University and College agree to further amend the Agreement between the parties;

NOW THEREFORE, in consideration of the covenants and mutual promises herein contained, it is agreed by Kean University and College as follows:

1. Section 1 of the Agreement is deleted in its entirety and replaced with the following:

1. OPERATING PROCEDURES FOR ENROLLMENT IN THE JOINT ADMISSIONS PROGRAM

The Pathway to Kean Program will allow conditional dual admission to Kean University through one of the two pathways outlined below:

1.1 Admission via Kean University:

1. All freshman applicants who apply to Kean University, but are denied direct admission and reside in the County of Middlesex, shall receive notification of conditional dual admission to Kean University in partnership with the College through this Agreement.
 - a. At the time of enrollment, at the College, students must sign the Release Form, attached in Exhibit A herein, allowing Kean University and College to share the student’s information, and matriculate into the College.
 - b. Matriculation will be tracked by both institutions: 1) Kean University will provide application materials after prospective students complete

Release Form; 2) College will track students matriculating to their campus, and provide Kean University with an electronic copy of each student's transcript, free of charge, so that Kean University may monitor student start dates, selection, grade point average, credits completed, and active or inactive status; and, 3) following a participating student's matriculation to Kean University, the University will provide College with the following information annually: (i) whether the student is still attending Kean University; (ii) whether and when the student has completed 64 credits, thereby making the student available for Reverse Transfer; (iii) whether the student is maintaining a 2.0 GPA (or higher as required by some Kean programs and provided in the articulated guide sheets); and (iv) whether the student has graduated.

1.2 Admission via College:

1. Students who do not enroll in conditional dual admission via their application to Kean University can still do so upon their acceptance to College, or at any time during their enrollment at the College. To enroll, they must sign the Release Form allowing Kean University and College to share the student's information.
2. The same stipulations for tracking and advising shall apply to these students as to the students who are conditionally admitted to Kean University through a direct application.
3. Students who successfully complete their associate degree (A.A. or A.S.) at College and fulfill the admission requirements of the designated academic program at Kean University, will enter Kean University as fully matriculated students with junior standing. Students completing an A.A.S. degree will be evaluated on a course by course basis, unless the A.A.S. program is covered by a specific program to program articulation approved by College and Kean University.

1.3 The following terms shall apply to all students transferring to Kean University under this Agreement:

1. Kean University will accept jointly admitted students who directly transfer to Kean University upon successfully completing the corresponding associate degree program (A.A, A.S. or articulated A.A.S.) at College without further admission review, provided students have met the minimum grade point average (GPA) of 2.0 or above required by Kean University.
2. All application fees to Kean University will be waived for students whose admission is covered under this Agreement.
3. Kean University will accept transfer credits earned by College students

as specified in the mutually agreed upon articulation agreements or equivalencies for specific Kean University programs and as subject to the requirements of the Kean University catalog, including the minimum grade requirement for all transfer courses. Kean University will honor the same equivalency for courses taken at another institution and applied to the associate degree requirements. All other courses taken at an institution other than College will be evaluated on a course-by-course basis.

4. Students nearing completion of the associate degree may receive permission to enroll concurrently at College and Kean University and be eligible for reverse transfer to complete outstanding associate degree requirements.
5. Tuition and fees for Kean University courses shall be established and collected by Kean University.

2. Kean University and College agree to add the following Kean undergraduate program(s) to the Agreement.

Add list of new programs

The number of credits transferred will be based upon the equivalency of courses attached hereto and amended from time to time upon Kean University's discretion.

3. Except as set forth in this Addendum, all other terms and conditions of the Agreement shall remain in full force and effect unmodified.

4. This Addendum to the existing Agreement is not intended to limit the Parties to the activities provided herein. Both institutions will continue to explore other programs or areas of cooperation on mutually acceptable terms. This Addendum is subject to periodic evaluation and may be amended upon mutual agreement of the parties.

5. All notices required or permitted under this Agreement shall be in writing and shall be delivered in person or deposited in the United States mail, postage prepaid, addressed as follows:

To Kean University: Stephen A. Kubow, Ph.D.
