

Dear Chargeback Applicant

Please review each section carefully to ensure full understanding of the process to apply for Chargeback at Middlesex College. It is advisable to keep a copy of the Chargeback Application for your records. Chargeback Applications must be filed each semester.

SECTION A: Eligibility Criteria

Tuition Chargeback is a program by which a resident of Middlesex County seeking a program or course not offered as part of the Middlesex College curricula, may enroll at another New Jersey county college and pay the lower tuition rate.

The academic program or course submitted for Chargeback approval must be substantially different in both content and purpose from the course(s) or program offered at Middlesex College. Minor variations in content and purpose, or minor differences in course or program titles are not grounds for Chargeback. Chargeback Applications must be filed each semester. Applicants must meet Middlesex County residency requirements (have been domiciled in NJ for at least one year and in Middlesex County for at least 30 days prior to the first day of classes).

1. Applicant must be qualified to enroll at Middlesex College.
2. Students who have been domiciled in NJ for at least one year and in Middlesex County for at least 30 days prior to the first day of classes are eligible for tuition Chargeback.
3. Applicant must take program specific courses for college credit at a New Jersey county/community college only; please be advised, chargebacks are not applicable in any New Jersey four-year institution.
4. **Chargeback Applications (first-time or renewals) must be filed each semester.** Applicants who make a change in a program after approval by Middlesex College need to reapply for Chargeback approval under the new program.
5. Chargeback Applications will not be approved if the program or course has been or will be offered at Middlesex College within one year.
6. Retroactive requests for previously completed semesters are not eligible for Chargeback.
7. First-time Applicants whose scores would require them to take developmental course(s) are advised to take one of the following steps:
 - a. If you are only required to take developmental courses in **one basic skills area**, you may take that one course at Middlesex College or at the other County College at which you intend to study.
 - b. If you are required to take developmental courses in **two or more basic skills areas**, you must enroll in and complete the specified developmental courses needed at Middlesex College before beginning your program of study at the other county college.
 - c. After developmental coursework is completed, a student will be eligible for Chargeback providing all other Chargeback eligibility requirements are met.
 - d. If the applicant has completed required developmental courses, they must present proof by way of score report or official letter from the Testing Center of the other institution.

SECTION B: Instructions For Applying For Chargeback

CHECKLIST: What You Will Need To Submit

- Applicant must submit a Chargeback Application with Parts I and II fully completed, in blue or black ink only, as instructed with approval by the other county college at which applicant seeks to enroll.
- Proof of Residency demonstrating that the applicant has been domiciled in New Jersey for at least one year and in Middlesex County for at least 30 days prior to the first day of classes. The term “domiciled” means the place in which the student has a settled connection for determination of his/her civil status or other legal purposes because

it is actually or legally his/her permanent and principal home. An international student (non-immigrant alien) is not eligible for the tuition Chargeback program.

Acceptable proofs of residency include **ANY TWO** of the following original forms of ID (These IDs should have your name and current address clearly shown):

- Valid New Jersey driver's license
- current utility bill
- current credit card statement
- other official proof verifying Middlesex County residency.
- Placement Test results in the form of a letter from the other County College Testing Center clearly indicating course placement or exemption from developmental courses (official transcripts may be submitted, if applicable)
- Acceptance Letter
- Student's Semester Schedule
- Detailed program or course description from the other County College
- New Jersey property tax bill
- current paystub
- voter registration certificate

NOTE: Chargeback Applications submitted without the above cannot be given consideration for approval. Applicants previously approved for Chargeback must still complete a new Chargeback Application and submit it each semester along with two proofs of residency as outlined above and a copy of the student's semester schedule. If you have changed your major, you will be required to follow the instructions as a new Chargeback Applicant.
